

LaCie Hard Drive

Design by F.A. Porsche

Hi-Speed USB 2.0 Convenience

World-Famous Design

Exclusively designed by the renowned design agency Porsche Design GmbH, the LaCie Hard Drive exhibits world-class style and offers excellent performance. The result of decades of technological expertise, it features a sleek, elegant design and advanced engineering.

High-Speed Downloads

Available with Hi-Speed USB 2.0 interface, the LaCie Hard Drive, Design by F.A. Porsche offers a fast interface transfer rate (up to 480Mbps/s) which is efficient for substantial jobs like downloading digital photos, saving MP3s or transferring home videos from your camcorder.

Back Up Your System

With room to store up to 750GB, you can back up your entire system or add extra storage space when your internal hard drive is full. Built to be lightweight and durable, the LaCie Hard Drive, Design by F.A. Porsche can be easily moved for sharing and exchanging files.

Easy To Use

This drive offers nearly effortless setup and is ready to use just seconds after removing it from the box. Secure rubber feet allow drives to be stacked, so you can get the most out of limited desktop space.

- Up to 750GB of storage
- Stackable to save desk space
- Save photos, MP3s & videos
- Hi-Speed USB 2.0 connection
